### Areas of Practice

**Matrimonial Finance**

Jonathan focuses on matrimonial finance work with a particular emphasis on financial provision on divorce and trusts of land.

He has more than 20 years of experience representing clients in private practice. He is a highly skilled cross-examiner and a succinct and impactful advocate.

He is known for his sympathetic and efficient conference manner and effective negotiation technique.

**Recent examples of Jonathan's financial remedies work includes:**

*P and P* - Disputed valuations of niche multimillion pound business which settled after he drafted written questions of expert.

*B and B* - Represented the respondent in a complicated trusts of land dispute involving s37 reviewable dispositions by the applicant to eight interveners.

*R and R-T and R* - Acted for the intervener in s37 disposition case.

*M and M* - Acted for the co-owner where the issue was the determination of a proper basis for valuation of a unique business with no relevant comparators.

*F and F* - Represented W in a judgment summons and application for committal to prison of her contemnor spouse. Also involved compulsion of key disclosure.

*D and D* - Pre- and post-matrimonial acquisition arguments including determination of the fair basis for distribution of pension substantially accrued before the marriage and property inherited post-separation in a long marriage case.

*G and G* - Distribution of pre-matrimonial assets including a property portfolio, inherited property and large police pension partially accrued before the marriage.

*H and H* - Conduct case concerning a high value fraud conviction in which the other party was not the direct victim of the conduct.

*V and K* - ToLATA case involving pre- and post- separation acquisitions and conflicting settlement agreements. Also drafting of defence and counterclaim.

*N and N* - Distribution of foreign property and business interests where the extent and ownership of the property was disputed and fair valuation of overseas salary incorporating a hypo tax element.
